An appropriate name for 3 guys who have played together in different forms for over 30 years. Bill, Brus & Don's beginnings in Burnt Hills, NY goes back to Jr. High days. These 3 musicians have played together in duets, trios, and bands ranging from Rock to Bluegrass to Blues. They formed the core of the Bluegrass band *Sweetwater*, popular in the 1980's and *Roadhouse*, popular in the 1990's. All 3 musicians are multi-instrumentalists...Bill on Acoustic and electric guitars as well as mandolin. Brus on Drums, guitar, bass & keyboards and Don on Guitars, bass, banjo and harmonicas. 3 solid vocalists who know how to blend and work together for one purpose...a great sound.

Come see the New Shoes. these three musicians are wearing now. Great Guitar, Smooth and rough vocals and harmonies, driving rhythms and whining harp.
